Loton Park Speed Hillclimb, set in the deer park of Sir Michael Liegton's stately home at Alberbury, near Shrewsbury, is known to be a very technical and challenging course and is one of the longest hill climbs in the UK.

- Observed runs, in your car, on your own, 4 runs before lunch.
- Lunch and video analysis of your morning performances.
- Afternoon observed runs, 4 runs in the afternoon.
- Instructor 's final analysis of your performance.
- End of day Certificate, DVD posted to you 2 weeks later.
